

Center for Healthcare Organization
and Implementation Research

Post-Doctoral Fellowship in Health Services Research

The VA Center for Healthcare Organization and Implementation Research (CHOIR), a Health Services Research and Development Center of Innovation, seeks candidates for 2-year postdoctoral fellowships in health services research to begin Fall, 2019. Recent doctorates in relevant disciplines (health services/policy, medicine, dentistry, pharmacy, nursing, sociology, psychology, anthropology, management, epidemiology, health economics, statistics) are encouraged to apply. CHOIR is a multi-disciplinary research center affiliated with the Boston University School of Public Health, the University of Massachusetts Medical School, and Harvard Medical School. Our two campuses are located at the Boston and Bedford VA Medical Centers, both in Massachusetts.

Fellowships are funded by the Department of Veterans Affairs, Office of Academic Affiliations (OAA) and administered in collaboration with the Health Services Research & Development (HSR&D) service. Stipends are according to fixed VA OAA rates for PhD fellows. Other health professional fellow salaries are commensurate with PGY level. **Applicants must be U.S. citizens.**

Please submit a CV and a brief narrative statement of prior research training, experience, career goals, reasons for seeking fellowship, and specific health services research interests to Karen Quigley, PhD (karen.quigley@va.gov) and Martin Charns, DBA (martin.charns@va.gov) for PhD and nurse fellows, or to Ann Borzecki, MD (ann.borzecki@va.gov) and Steven Simon, MD, (steven.simon2@va.gov) for MD or other health professional fellows. **Initial deadline for full consideration is January 18, 2019**
