

IN THE
TIME
OF
COVID-19

We're living through both a pandemic and historical revolution, it's important to take care of our mental health.

For me, drawing & anything Harry Potter related keeps me sane.

Buongiorno! For the past 89 days (though, I'll be at 91 days when you see this) I've been spending at least 15 minutes a day learning Italian. I am close to completing level two on Duolingo. So far I've learned important phrases, food 1 + 2, animals, plurals, possession, and colors. I'm currently conquering clothing, questions, and special Italian verbs. Non parlo italiano molto bene, but I'm trying!
